Agenda Items

- *Introductions*
Chair Gilgun welcomed CCWG members and public attendees.
- *CCWG Public Forum Planning*
Brendan Reed (staff) presented the details and logistics for the Public Forum scheduled for June 16th at the Norman Park Senior Center. CCWG members supported the proposed “open house” format for the public meeting and volunteered to help distribute meeting info through their organizations.
- *Presentations:*
 - Sea Level Rise in San Diego Bay* – Dr. Rick Gersberg and Kayo Watanabe (SDSU) presented modeling data for projected sea level rise in years 2050 and 2100 along the San Diego Bay coastline.
 - Coastal Planning & Infrastructure* – Tom Adler (staff) highlighted how the City and the Port of San Diego incorporated projected sea level rise into the Chula Vista Bayfront Master Plan.

Climate Change Impacts & Adaptation Options – Nicola Hedge (San Diego Foundation) reviewed options to address climate change impacts to coastal infrastructure.

- *Public Comment*
Michelle White & Leslie Nishihira described the Port of San Diego's efforts related to climate adaptation planning.
- *Next Meeting*
CCWG members approved the next meeting date (Wednesday, June 30th).
